

# Letter From the CEO

*Charu Raheja*

## Referrals

Are you looking for a great opportunity to help TriageLogic grow and earn a little extra income? You nurses are the best resource we have. You do such a great job with our Nurse Triage On Call services and I know you will do even better as Continuwell is rolled out.

If you see an opportunity to introduce our services to a new client, we want to hear about it. If you have contacts or people interested, let [Amy Smith](#) know and you will receive credit for helping us. We are offering a referral commission, based on the first year of sales, to anyone who can help the TriageLogic team close a sale to a new practice or organization for our services. This is a great chance to use your medical or professional contacts to help spread the word about our great products. Helping to build TriageLogic and Continuwell clients will not only benefit you in the short term with the commission, but in the long run will increase calls, which leads to more hours.

We are really looking forward to all that 2017 will bring for the TriageLogic group. These new services will help communities and we have the opportunity to make a big difference in people lives and families. I hope each of you enjoys the holiday season and have a wonderful year full of happiness, love, and adventure.
